SUPPLEMENTAL RESPONSE TO OFFICE ACTION

15     Commissioner for Patents  
            P.O. Box 1450  
            Alexandria, VA 22313-1450

20     Examiner Felten:

            In response to the Office Action mailed on June 19, 2006, for the above-  
referenced patent application, please enter the following amendments and  
remarks. The specific distinctions believed to render the claims patentable over  
the applied references and the patentable novelty, which the applicant believes the  
25    claims present in view of the state of the art disclosed by the references cited and  
the objections made are discussed beginning on page 12 of this paper.

            Amendments to the Claims are reflected in the listing of claims, which begins  
on page 2 of this paper.

            Remarks begin on page 9 of this paper.
